The two further new ranges are the immensely popular Dr Bronners Fair Trade Liquid Soap and Weleda's Body Care range. See below for an amazing offer on Dr Bronners Soap. In addition to these ranges, we have many more new products. [Click here to view all the new products.](#)

In the last week or so I have begun the painstaking task of cataloguing all of our products. The catalogue is available on the website in its incomplete form. Please keep checking back to see how it is coming along. The catalogue will be available to view by category such as teas & coffee, and chocolate & confectionary as well as by speciality such as organic products, fair trade products, and gluten free products.
